#### *Allowable Subject Matter*

New claim 13 incorporates the limitations of original claims 1, 7 and 8. Original claim 8 containing the allowable subject matter.

With respect to claim 14, the following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show "*metallic intermediate sleeves arranged between the outer shell and the center sleeve and individually defining the cylinder bores therein to form gaps within the outer shell outside of the intermediate and center sleeves; and a resin filler filling the gaps*", in combination with the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
